Re: Invitation to participate in the Primary Health Care

Greetings!

A high level political summit bringing together the political and government leadership, civil society organizations, private sector, service providers, and parastatals to deliberate on the journey that the 14 counties have made in strengthening Primary Health Care as a mechanism to achieve Universal Health Coverage and is organized by INUKA Success Organization in Partnership with KMET, County Government of Kisumu and The Kisumu UHC Alliance.

The theme for the summit: Primary Health Care as a mechanism to strengthen health systems and achieve UHC. We seek to rally the county governments of the 14 Lake Region Economic Block counties with focus to: Making bold political choices for health across all sectors, building sustainable primary health care structures, increasing finances for the primary health care and
